Hi,

I just wanted to thank you all for the wonderful experience I had at your training center yesterday. It was a first visit for us, and I thought everything was just perfect. (love those big dog friendly bathrooms!)

Your judge and stewards at the Open ring were inviting, organized and a delight to work with...they had to have been exhausted by the end of the day!

So thanks for a nice outing for my dog and I, his very first in Open; I'm glad we came!

Feel free to post my comments, as they are heartfelt. I am a firm believer in giving credit where credit/kudos/compliments are due. I participate in both canine and equine events, and not all are equal...some are not so good, and others are great...my experience at your facility yesterday was great!
